Moved by: Charles Bertram

Seconded by: Darcy Oliver

WHEREAS TransCanada Pipelines Limited has put forward an application to develop the Energy East Pipeline which would convert an existing natural gas pipeline into oil and construction of a new pipeline;
AND WHEREAS the safety of transporting oil products via pipeline far surmounts the possible safety and liability issues that can arise during the transportation of these products via rail or highway;
AND WHEREAS TransCanada has demonstrated their commitment to pipeline safety for communities, residents and employees through safety and prevention maintenance programs.
THEREFORE BE IT RESOLVED THAT the Council of Prairie View Municipality hereby support the development of the Energy East Pipeline and that copies of this resolution be forwarded to the Minister of Innovation, Energy and Mines and our local Member of Parliament.
