

**TOWN OF LATCHFORD  
RESOLUTION**

MOVED BY: J. Leathers

No.: 15/005

SECONDED BY: Mike Bush

Date: JAN 15<sup>TH</sup> - 2015

**Whereas** the Council for the Corporation of the Town of Latchford consider Trans Canada Pipelines to be a major and essential contributor to the economic well being of our municipality and to the entire area of Northern Ontario,

**And whereas**, without the continued contributions to Latchford from Trans Canada Pipelines to the municipality the ability to maintain the required levels of essential services to our residents would be seriously compromised,

**And whereas**, Trans Canada Pipelines has always displayed a very conscientious and safe level of maintenance on their infrastructure that passes through our municipality we are confident that this same level of attention will continue both with the design and ongoing maintenance of their proposed Energy East Pipeline,

**Therefore be it resolved that** Council for the Corporation of the Town of Latchford supports the conversion of one natural gas pipeline through the Town of Latchford for the conveyance of crude oil to points east of Ontario.

**And Further** that this resolution be forwarded to the Honourable Kathleen Wynne, Premier of Ontario, circulated to municipalities benefiting from the presence of pipeline in their communities for their support and to others as identified.
