Re: Rural Municipality of Lacadena Support for Energy East Pipeline Project

The R.M. of Lacadena No. 228 Council would like to express its support for the development of the TransCanada Energy East Pipeline. At our recent RM Council meeting on July 7, 2015, the Council passed a resolution in support of the Energy East Pipeline.

The R.M. of Lacadena fully supports the development of the Energy East Pipeline Project which will benefit citizens economically across Canada by creating jobs and securing a greater supply of oil.

Yours Truly,

for Wilma Moen
Administrator
