RE; HAMIOTA MUNICIPALITY SUPPORT FOR ENERGY EAST PIPELINE

Please find enclosed a certified copy of resolution no. 2 passed by the Council of Hamiota Municipality at their regular meeting on June 17, 2015.

Council was pleased to be able to offer its support to the Energy East Pipeline Project. Hamiota Municipality (formerly Rural Municipality of Hamiota) has had a very good relationship with TransCanada Pipelines in the past and will look forward to that same relationship and continued support in the future.

Yours truly

Tom Mollard
Chief Administrative Officer

RESOLUTION FORM

Number: 2

Date: June 17, 2015

Moved By Mathison

Seconded By Brown

RESOLVED THAT Council of Hamiota Municipality support an application by TransCanada Pipelines Limited to develop the Energy East Pipeline Project and convert existing natural gas pipeline to an oil transportation pipeline and the development of new infrastructure to link oil transportation from Western Canada to Atlantic Canada.

CARRIED.
